Gentlepersons:

Bootstraps to Share is a new organization located in Tucson which creates employment for the homeless and at the same time helps them get a place of their own in which to live.

We would like to receive tax exempt status from the State of Arizona. We were given 501(c)(3) status by the Internal Revenue Service in December, 1990. For your information, I have enclosed a copy of the letter from the IRS recognizing our tax exempt status, together with a copy of our Application for Recognition of Exemption and enclosures.

If you need more information or have any questions, please do not hesitate to contact me.

Sincerely,

Kathe B. Padilla
