

BICAS Annual Art Auction T-Shirt & Poster Design Contest 2024

Our 2024 BICAS Annual Art Auction T-shirt and Poster will be selected from designs submitted by artists in our community. This shirt and poster will be locally printed in Tucson, AZ.

The winning artist will be credited on the inside tag of the T-shirt alongside washing instructions, and in captions alongside the poster. They will also be interviewed over email and featured in a spotlight on our social media, and receive their own t-shirt. Please include with your submission whatever promotional information you wish to be shared!

This design should be compatible both with a poster (12"x18"), and a standard T-Shirt (dimensions can vary). You should submit two files with the same basic design or theme, arranged for each format.

We reserve the right to further reformat the design for further dimensions, including for a 8.5"x11" poster, a 4"x6" postcard and a 1"x1" instagram post, and a double-sided 4"x5" flyer. (Including these dimensions in your submission is welcome, but optional and will not affect the outcome of the contest.)

The subject of the design can be anything you like, as long as it fits with the theme of bicycle art.
